

# MONSIEUR PAPILLON

PERSONAL USE LICENSE FOR DIGITAL PRINTABLES  
Version 1.0 - August 2026

## 1. About This License

This Personal Use License applies to digital printable files provided by Monsieur Papillon, including free downloads, exclusive downloads made available to eligible members or registered users, and paid downloads where the product is expressly offered under this Personal Use License.

Access to a particular download may be free, restricted, membership-based, promotional, paid, or otherwise limited. These access conditions determine who may lawfully obtain the files; they do not expand the permitted uses of the files unless expressly stated otherwise.

By downloading, opening, printing, or using the files, you agree to the terms of this license.

The files, artwork, illustrations, designs, and layouts remain protected by applicable copyright and other intellectual property laws. This license grants limited rights of use only. It does not transfer copyright or ownership.

## 2. Personal Use

The files are licensed for personal, non-commercial use only.

You may download and store the files on your own personal devices; make reasonable backup copies for your own use; print the files as often as reasonably necessary for your own personal projects; and cut, crop, resize, color, write on, layer, combine, or otherwise adapt the material for your own personal creative projects.

You may use the material in personal journals, junk journals, scrapbooks, collages, cards, gift wrapping, decorations, paper crafts, and similar private creative projects.

You may also give finished handmade projects incorporating the material to family members or friends as personal gifts, provided that no payment or other commercial consideration is received.

## 3. Commercial Use Is Not Permitted

This license does not grant any commercial-use rights.

In particular, you may not sell or offer for sale physical or digital products incorporating the files, artwork, illustrations, designs, or substantial portions thereof.

You may not use the material for commissioned work, client projects, business products, commercial services, print-on-demand products, merchandise, advertising materials, or other revenue-generating purposes.

A purchase, paid membership, subscription, donation, or other payment made in order to obtain access to a file does not grant commercial-use rights unless a separate commercial license expressly states otherwise.

## 4. Redistribution and File Sharing

You may not redistribute, share, sublicense, rent, lend, sell, upload, publish, transmit, or otherwise make the original digital files or modified versions of them available to other persons.

In particular, the files may not be uploaded to file-sharing services, marketplaces, social-media groups, design platforms, stock libraries, print-on-demand services, digital collections, or other services from which third parties could obtain or reuse them.

You may not include the files or their individual design elements in digital kits, clip-art collections, templates, printable collections, ebooks, books, courses, downloads, or similar products or resources.

Modification, cropping, recoloring, combining, or otherwise adapting the material does not create a right to redistribute or commercially exploit it.

## 5. Sharing Finished Personal Projects

You are welcome to photograph and publicly share your finished personal handmade projects incorporating the material, for example on social media, blogs, websites, or creative communities.

Such photographs or presentations must not make the original printable pages, high-resolution artwork, or digital files available in a form from which they can reasonably be extracted, reproduced, or downloaded.

Credit such as "Designs by Monsieur Papillon" is appreciated but is not required for personal, non-commercial use.

## 6. Artificial Intelligence and Machine Learning

You may not use, upload, submit, or knowingly make the files or their individual artwork or designs available for the purpose of training, fine-tuning, validating, testing, or developing artificial-intelligence or machine-learning models, datasets, or similar automated systems.

This restriction does not prohibit ordinary use of software features that process files solely to perform functions necessary for your permitted personal use, such as printing, resizing, or file conversion, provided that the material is not used to train or improve a model or made available for reuse by third parties.

## 7. Intellectual Property

Unless expressly stated otherwise, all applicable rights in the downloadable files and the artwork, illustrations, designs, and layouts contained in them are reserved by the respective rights holder.

You receive a limited, non-exclusive, non-transferable and non-sublicensable right to use the files solely within the scope of this Personal Use License.

You may not claim the supplied artwork or designs as your own, register them as trademarks or other exclusive identifiers, or remove copyright notices or other rights-management information contained in the files.

No rights are granted by implication beyond those expressly stated in this license.

## 8. Access, Availability and License Versions

Monsieur Papillon may change, replace, restrict, or discontinue the availability of individual downloads at any time.

Loss or termination of access to a website, membership area, promotion, or download service does not create an obligation to provide permanent future access to previously available files, except where applicable law or separate contractual terms require otherwise.

A later version of this Personal Use License does not retroactively reduce rights validly granted for files obtained under an earlier version, unless required by applicable law.

## 9. Technical Disclaimer and Liability

The files are intended for creative and decorative purposes.

Monsieur Papillon does not guarantee compatibility with every printer, device, software application, operating system, paper type, ink, cutting system, or other equipment. Colors, dimensions, print quality, and appearance may vary depending on equipment, materials, software, display, and individual settings.

To the extent permitted by applicable law, liability is limited in accordance with applicable statutory provisions.

Nothing in this license excludes or limits liability, statutory warranties, consumer remedies, or other rights where such exclusion or limitation is prohibited by applicable law.

## 10. Governing Law and Mandatory Consumer Rights

This license is governed by the laws of the Federal Republic of Germany, excluding its conflict-of-law rules, to the extent such choice of law is legally permitted.

If you are a consumer, this choice of law does not deprive you of mandatory consumer protections applicable under the laws of your country of habitual residence.

Nothing in this license is intended to exclude, restrict, or waive rights that cannot legally be excluded, restricted, or waived under applicable law.

## 11. Rights Holder and Contact

Monsieur Papillon  
Patricia Cascio  
An der Ulme 17b  
23617 Stockelsdorf  
Germany
